

Why not get your hat made to order?

You know that you can be fitted properly in a ready-made hat and you would not have it made to order just for the mere sake of spending a few extra dollars. You know that it would show poor judgment when there's no particular advantage to be gained.

Why not apply the same principal to the buying of clothes?

Clothcraft Clothes at \$10 to \$20 are ready for service and you can quickly find the one that fits your form and fancy. No waiting—no delay—no guessing how your suit will look when you put it on—you can see and try before you buy.

Almost any man can be fitted in Clothcraft Clothes with little or no alternation. We want to prove this to some of you men, who only think, you cannot be fitted in Clothcraft Ready-for-Service Clothes. Yes, today, we're ready.

Regular meals will be served at 25 cents, and that means a square meal too.—Mr. and Mrs. Eugene Gentry are rejoicing over the arrival of a baby girl.—J. Thos. Cherry and B. G. Ward for his farm of about seventy acres, and for which he was to pay \$1,000.00, failed to show up. Vernon, last Saturday. We have been unable to get the score, but are quite sure the game was not a close one.—Arch Albright has about completed his residence in the Henry Addition, and will move to it soon.—W. H.
